

**Call for prequalification of suppliers**  
**For replacement of worn out meters (supply and installation of new meters)**  
**From current finance**

By virtue of Executive Order issued by the National Water and Wastewater Engineering Company the ----- Water and Wastewater Company intends to concede the replacement of the worn-out meters (supply and installation of new water meters) by current finance and according to the following conditions through open competitive bidding and in compliance with the relevant rules and regulations to qualified investors.

**a- Brief description of the project**

- Purchaser:
- Number and size of worn out meters:
- Meter type:
- Period of execution:
- Initial cost estimate:
- Amount of Bid Security:

**b- Sources of funds:**

Since the sources of funds for this project shall be the difference obtained in each period from the increase in average consumption vis-à-vis the period preceding the exchange of meters to be remitted at the end of each month to the contractor's account, and further since the contract shall not be subject to either advance payment or price adjustment, to prequalify, bidders are required to have a sound financial capacity in addition to their executive capabilities.

**c- Requirements for bidders:**

Capability to ensure the funds required for supply, transportation and installation of meters and having experience of similar projects.

- d-** Eligible bidders may collect the prequalification documents within maximum 10 days from the publication of this notice from the Contract Offices of ----- and submit the sealed and stamped envelope containing the completed forms by .... on the day of ..... dated ..... against a signed receipt.

Subsequent to the review of the pre qualification documents, the qualified contractors shall be invited to bid.

- e-** The envelopes shall be opened on the day of ----- dated ----- at -----
